

Sell HEXBUG Micro Robotic Creatures

Your Robotics Team Earns Up to 50% Profit

We know one of the biggest obstacles facing many schools and teams participating in high end technology competitions is the financial cost and required fund-raising. HEXBUG provides students with something new, interesting and different from typical fund-raisers and will give your students a fun and exciting product to offer. We want your fund-raising efforts to be successful and hope the innovative and fun HEXBUG will help your team achieve its goals.

We wish you and your team all the best for the upcoming season.

HEXBUG is one of the most unique items available in fund-raising.

Here are just a few reasons why:

They're cool, they're fun and they're great gifts.

They're relevant for any tech based school team and are a great ice breaker for students to talk about and promote their robotics program.

They're great to show and demo.

Adults and kids love them.

They provide GREAT profit margins to help your team reach its fund-raising goals, with a 45-50% PROFIT on every case.

Only a ONE CASE Minimum order.

We will give you FREE SHIPPING in the contiguous 48 states.

There are 30 HEXBUG creatures in each case. Each fund-raising case has a variety of colors.
