

VEX Robotics Upgrade Incentive Program

Unit Return Form

Name: _____

Phone: _____

E-mail: _____

Note: For VRC Teams, e-mail address must match team contact information on RobotEvents.com if returning a PIC Microcontroller and 75 MHz TX/RX.

VRC Team #(s): _____

Note: VRC Team #(s) only required if returning PIC Microcontroller, 75 MHz Transmitter & 75 MHz Receiver.

Quantity

- I am returning:
- VEXnet Upgrade (TX and RX) for a \$50 coupon (per Upgrade returned)
 - PIC Microcontroller, 75 MHz Transmitter & 75 MHz Receiver for \$200 off a VEXnet System Bundle (Per PIC and 75 MHz TX/RX returned)

Number of Coupon Codes Requested: ____

(Please take into consideration that codes can only be used once and only 1 can be used per order. You can request 1 code if you are ordering multiple VEXnet Bundles all at once, or you can get multiple if you plan on staggering your orders.)

Package your units appropriately, include this form (only 1 form necessary per package) and send to:

VEX Robotics, Inc.
Upgrade Incentive Program
1519 Interstate 30 West
Greenville, TX 75402

Customers are responsible for shipping charges and we recommend shipping via a trackable carrier (UPS, FedEx, USPS with Delivery Confirmation, etc.) to ensure your package arrives.
