Find Sammy!

Introducing Sammy! Sammy is a roving travel companion made entirely out of VEX IQ components. Take Sammy with you on your vacation, to a competition, or a cool landmark, then follow the directions below for a chance to be featured on VEX Robotics social media!

Build It
Snap Sammy together using the build instructions on this page with any combination of VEX IQ angle beams.

Take It
Bring Sammy with you when you travel and find a cool place to take a picture.

Post It
Upload your picture to Instagram or Twitter with the hashtag #FindSammy. (You can also e-mail pictures to findsammy@vexiq.com)

Get Featured
Our favorite Sammy pictures will have a chance to be shared on the VEX Twitter and Instagram accounts!
