+44 1925 251038

- **PD+ for Coaches** is included with registration with the Robotics Education & Competition Foundation (RECF)
- **PD+ for Computer Science** is included with VEXcode VR Premium

### VEX PD+ Free Tier

- Access introductory certification courses for each VEX platform
- Gain access to the VEX Community after becoming certified

## VEX Community

Connect with other certified VEX educators and VEX Experts for professional growth, idea sharing, and connection opportunities beyond the classroom.

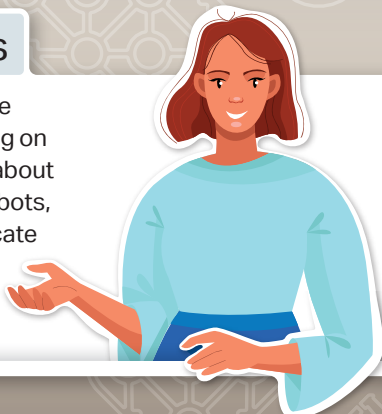

## Live Sessions

Get live, instructor-led guidance on teaching with your VEX platform. Sessions address questions and discussions from the VEX Community.

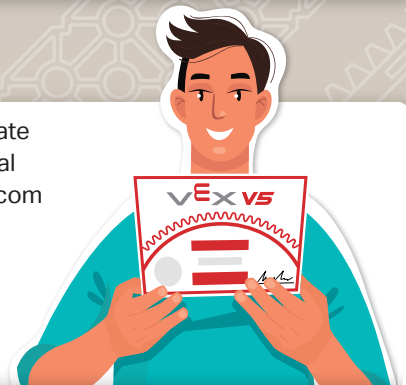

## Training Courses

PD+ offers self-paced online courses that provide training on every VEX platform. Learn about building and coding your robots, and more! Receive a certificate upon completion.

## Certifications

PD+ certificates demonstrate commitment to professional development. Visit PD.vex.com to learn how you can earn contact hour certificates.

## VEX Educators Conference

### Learn, Explore, Connect

Experience the VEX PD+ Professional Learning Community live and in person!

Attend keynotes and sessions with leaders in robotics and STEM education. Gain creative ideas, actionable strategies, and renewed inspiration to bring to your school and/or classroom.

In the VEX Showcase, get hands-on robotics and CS examples and demonstrations. Discover innovative ways to bolster STEM learning!

Meet fellow STEM educators, collaborate, and forge productive partnerships!

The conference takes place every year, at the VEX Robotics World Championship. Check with your local office for dates of the events in your own country.

## Expert professional development for classroom robotics

Learn more about the conference!  
[conference.vex.com](https://conference.vex.com)

## Video Library

Access the VEX Video Library anytime, anywhere! Hundreds of videos await, including:

- Interviews with professionals and educators
- Tips and tricks from the VEX Experts
- On-demand replays of past Live Sessions
- Interviews with VEX Competition teams
- Webinars led by VEX Experts
- ...and more!

## Insights

Get valuable insights for your STEM classroom with articles by the VEX Education team.

## 1-On-1 Sessions

Schedule 1-on-1 meetings with our VEX Experts for support and guidance tailored to your professional needs and goals.
